Please read these Terms carefully before accessing or using the Website or the Services. By accessing or using any part of the Website or Services, each Customer and User agrees to become bound by the terms and conditions of these Terms, as amended. If a Customer or User does not agree to all of these Terms, then such Customer or User may not access the Website or use any Services. c. Without limiting any of those representations or warranties, Enzyme has the right (though not the obligation) to, in Enzyme’s sole discretion, refuse or remove any Content that, in Enzyme’s reasonable opinion, violates any Enzyme policy or is in any way harmful, objectionable, or unlawful. c. Ownership of User Content. Except for the licenses set forth in this Section, these Terms do not transfer from Customer or User to Enzyme any right, title and interest in and to Content posted by User.

d. User Content License. When Users upload, submit, store, send or receive Content to a particular Customer Account using the Services, Users give Enzyme (and those third party contractors Enzyme works with) a license to publish such Content on the Services so as to make it accessible to authorized Users and Administrators with access to the relevant Customer Account, and Enzyme may use, host, store, reproduce, modify, create derivative works (such as those resulting from adaptations or other changes Enzyme makes so that User’s Content works better with our Services, or to create the Service’s output), communicate, publish, display and distribute such Content for this purpose. The rights Customer and Users grant in this license are for the limited purpose of operating and improving the Services. Enzyme will not disclose or make available to the public Content which is uploaded by Users using the Software.

5. No Obligation to Review Content.

Enzyme has not reviewed, and cannot review, all of the Content posted to the Services, and cannot therefore be responsible for that Content. Customer may terminate this agreement at any time by immediately ceasing their use of the Services and cancelling their User account and subscription according to the cancellation procedures provided. If the Customer terminates during a given month, then it shall not be provided a refund for that month, but if the Subscription Term is longer than a month then it shall receive a prorated portion of the Subscription Fee.

vi. if Enzyme terminates this Agreement pursuant to a demonstrated and uncured breach, all Fees that would have become payable had the Agreement remained in effect until expiration of the Term will become immediately due and payable, and Customer shall pay such Fees, together with all previously-accrued but not yet paid Fees, on receipt of Enzyme's invoice therefore.

Customer shall cooperate with Enzyme in respect of implementing or adopting any updates to the Services which are recommended by Enzyme to comply with applicable regulations or guidelines relevant to the quality or regulatory processes managed by the Services. Enzyme reserves the right, at its sole discretion, to modify or replace any part of these Terms relating to Services (but not, for the avoidance of doubt, the specific terms of an Agreement or any Addendum). The revised Terms will be effective immediately upon being made available on the Website. Customer’s use of the Services after modifications to these Terms become effective constitutes binding acceptance of such changes by the Customer. c. Although Enzyme has no obligation to monitor Customer’s use of the Services, Enzyme may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of the foregoing.
